## **OLD BUSINESS**

### **Preserve Management**

#### **Walking Trail Maintenance-**

Chairperson Mullen reported that he replaced weathered boards on the Scout bridge on the Pin Oaks Loop trail. He also reported that the trail map was missing at the trail head and that a more durable sign has been ordered and will be posted at the trailhead. Chairperson Mullen also noted the presence of poison ivy and the need to remove it only if it is within the borders of the trail. Chairperson Mullen also reported that the DPW had mowed a new trail on the Pin Oaks Loop trail that creates two smaller loops. Though not requested by the EC, this is an improvement that the EC will include into the trail map. Chairperson Mullen reported that he followed up on a resident complaint of the Unami Woods Trail and that the second entrance to the trail has been cleaned up and yellow trail markers have been added to the trail. Commissioner Mathers reported that she walked the Brook Trail and that a section within the floodplain was extremely difficult to follow. Chairperson Mullen suggested the EC explore re-routing the trail further from the stream where possible.

#### **Village Park Rain Garden**

Chairperson Mullen reported that he re-graded the inlet to the rain garden, maintenance that should be performed yearly.

### **Sustainable Jersey**

#### **Stormwater Infrastructure Mapping-**

Chairperson Mullen reported that TC liaison Dr. Rogers is still waiting to hear back with information on training and getting the license for the handheld equipment.

### **Scout Projects**

#### **Cranbury Brook Preserve Kiosk-**

Chairperson Mullen reported that Scout Kona Macallister is scheduled to remove the old kiosk next week. Chairperson Mullen reported that he removed all the items from the old kiosk in preparation for the new kiosk.

#### **Lanternfly Trap-**

Chairperson Mullen reported that Scout Steven Censi still needs to submit his final proposal to the Committee. Chairperson Mullen reported that Scout Censi plans to make one hundred circle Lanternfly traps to place in the parks by Spring 2024.

## **NEW BUSINESS**

### **Ameri-Corps NJ Watershed Ambassador Program**

Claire Paul, Watershed Ambassador reported on the details of the NJ Watershed Ambassador Program. Ms. Paul reported that she is available to train the EC Members to perform water quality testing and how to submit findings to the NJDEP. Chairperson Mullen stated that he would be interested in the training. Commission Member Kohut suggested that they get the Scouts involved in any upcoming Watershed projects.
