

MEMORIAL BENCH

Memorial benches represent more than just a place to sit; they also bolster the community. If you would like to have a memorial bench placed in Cranbury in memory of your loved one, you can purchase a bench with a custom engraved plaque and donate it to Cranbury Township. The Township will install the bench and maintain it as a public bench. To view bench: <https://www.victorstanley.com/product/c-96/>.

Please review and complete the below form and mail it to Town Hall. If you have additional questions, please contact Donna Wyckoff at 609-664-3130.
